

5109 '99 MAY 21 P1:26

April 29, 1999

Ms. Jane Henney
Commissioner
FDA
Rockville MD 20857

Dear Ms. Henney:

I urge you to **restrict the use of hormone additives in animal feed**.
Such widespread use of antibiotics will result in **resistant bacteria**,
and the eventual failure of antibiotics for human use.

Yours truly,

Peter Perthou
Linwood Avenue
Rockport MA 01966
